

Dont Be Afraid Of The Dark
The Sonics

When you walk through the dark
Hold your head up high
And don t be afraid of the dark

F G A G
Don t (don t) don t (don t) be afraid
Don t (don t) don t (don t) be afraid

F G A G
We used to walk together late at night
We d stop and hold each other tight
You would tell me that you were afraid
I must protect thee, here s what i d say

F G A G
Don t (don t) don t (don t) be afraid
Don t (don t) don t (don t) be afraid

F G A G
Darling, darling you ve nothing to fear
Not as long as i am here
There is nothing i wouldn t do
To have a love of a girl like you

G A Bb C
Hold me close and we ll never part
cause i would never break your heart
Baby, baby don t be afraid of the dark
F A F C (interlude)

Guit. solo

G A Bb C
Hold me close and we ll never part
cause i would never break your heart
Baby, baby don t be afraid of the dark
F A F C (interlude)

F G A G
We d walk along the world was ours
Promissed you everything, even the stars
You would tell me that you were afraid
I d hold you close, here s what i d say

F G A G
Don t (don t) don t (don t) be afraid
Don t (don t) don t (don t) be afraid

Don t (don t) don t (don t) be afraid, pretty baby
Don t (don t) don t (don t) be afraid of dark
