Em **C** **Em**
Oh no, it s too late, I wont take a chance and be disgraced

C **Am**

Em
Take two steps from my front door, don t look back even if you feel unsure,
unsure

Em **C** **Em**
Do what you want and tick it off your list, I ll help you out if you insist
C **Am**

Em
Kiss my lips, take everything I owned, bitter friends are better left alone, left
alone

Chorus...

F **C**
So I m looking up in to the blue skies

Dm
Where I watch the swallow as it flys

F
Thinking would you rather see me fall

C
So I m looking up in to the blue skies

Dm
Where I watch the swallow as it flys

F
Thinking would you rather see me crawl

Em
See me fall

Can t see for the sunlight in the sky, it burns like fire straight into my eyes
Feet up on the dashboard of your car as I watched the country miles go far, we
ve gone so far

Chorus...

So I m looking up in to the blue skies

Where I watch the swallow as it flys

Thinking would you rather see me fall

So I m looking up in to the blue skies

Where I watch the swallow as it flys

Thinking would you rather see me crawl

See me fall

So i m looking up into the blue skies
So i m looking up into the blue skies
So i m looking up into the blue skies
So i m looking up into the blue...

Chorus...

So I m looking up in to the blue skies
Where I watch the swallow as it flys
Thinking would you rather see me fall
So I m looking up in to the blue skies
Where I watch the swallow as it flys
Thinking would you rather see me crawl
See me fall
