

**Wish You Were Here**  
**The Sounds**

it s very easy song with chords, i haven t figured out the picking pattern  
though, but  
it s easy to chill with this.

**C#m A**

remember the first time that i saw you,  
thinking one day we ll be the lucky two,  
i would loved you and your beautiful head,  
gimme your hand and then we d go somewhere

**Hx2 A E**

i would take you down the city for a ride  
spend a night together by the river on the west side

**C#m E**

wish you were here  
I wish you were here  
wish you were here  
I wish you here

**C#m A**

If i knew then what i know now  
and then one day we would say goodbye  
so many things that we left unsaid  
remember your naked back on my bed

**Hx2 A E**

i would take you down the city for a ride  
spend a night together by the river on the west side

**C#m E**

wish you were here  
I wish you were here  
wish you were here  
I wish you here

hmmm hmhhh hmhhh hmhhh

**Hx2 A E**

i would take you down the city for a ride  
spend a night together by the river on the west side

**C#m E**

wish you were here  
I wish you were here  
wish you were here  
I wish you here
