So basically the chord changes are C, C, F, G. The lyrics are:

Better think of your future
Time is stritting right out
Creating problems in town

Rudi, a message to you

Stop your fooling around
Time is stritting right out
Better think of your future
Or else you~ll wind up in jail

Rudi, a message to you
Rudi, a message to you

Stop your messing around
Better think of your future
Time is stritting right out
Creating problems in town

Rudi, a message to you
Rudi, a message to you
