[Verse]

Well I feel so good everything sounding hot
Better take it easy cause the place is on fire
Been a hard day, and I don t know what to do
Wait a minute baby it could happen to you

[Verse]

Well I feel so good, everybody s gettin high
Better take it easy cause the place is on fire
Been a hard day, nothin went too good,
Now I m gonna relax, honey, everybody should

Peace, love, and soul,
