

All Over You
The Spill Canvas

The Spill Canvas

Capo on 1st (if u re playing along with the album version)

the intro riff goes into the verse with a slight variation but i wont put it down, same

the bridge

u can find it on the other 1 in tabs..im doing the chords with lyrics..

```

x2

verse:

Am

Yeah, he s a looker,

F

But I really think it s guts that matter most

C

I displayed them for you

F

Strewn out about from coast to coast

Am

I am easily make believe

F

Just dress me up in what you want me to be

C

F

I ll take back what I ve been saying

For quite some time now

Chorus:

G **Am** **F**
I gotta feel you in my bones again

I m all over you

I m not over you

G **Am** **F**
I wanna taste you one more time again

I m all over you

Am
I m not over you

Verse:

Am
In my daydreams, in my sleep
F
Infatuation turning into disease
C
You could cure me
F **Am**
See all you have to do now is please try

F
Give it your best shot and try
C
All I m asking for is love
F
But you never seem to have enough

Chorus:

G **Am** **F**
I gotta feel you in my bones again

I m all over you

F
I m not over you
G **Am** **F**
I wanna taste you one more time again

I m all over you
F
I m not over you

G **Am**
This life is way too short
F
To get caught up in all this stuff
G **Am** **F**
When i just want you to love me back
Am
Why can t you just love me back

Bridge: (its a little tricky here, basically the bridge goes Am - Am - C - F,
just count 8 beats each if u cant get the timing right)

Am - Am - C

F **Am**
Why can t you just love me back?
C **F**
(Why can t you?, why can t you?)
Am
Why can t you just love me back?
C **F**
(Why can t you?, why can t you?)
Am
Why can t you just love me back?
C **F** (break)
(Why can t you?, why can t you just love?)

(little riff back to the chorus)

```
E |-----|
B |-----|
G |-----|
D |--2-0-----|
A |-----3-2-----|
E |-----3-----|
```

Chorus/Outro:

G **Am** **F**
I ve gotta feel you in my bones again

I m all over you

I m not over you

G **Am** **F**
I wanna taste you one more time again

(Just one more time)

G **Am**
This life is way too short

F
To get caught up and all mixed up

G **Am** **F**
When I just want you to love me back

Am
Why can t you just love me back?

(intro riff x2)

F **Am**
Why won t you just love me back?

F **Am**
Why can t you just love me back?

End on Am
