

**Chemicals**

**The Spill Canvas**

Artist: The Spill Canvas

Song: Chemicals

Album: Gestalt

Tuning: Half Step Down

Intro:

**Bbm G#**

Vers:

**Bbm**

This boils down to science fact

**F F#**

We are elemental structures - destined to react

**Bbm G# Bbm**

Ooh, we re going to end up in the ground tonight

**F F# Bbm G#** (one strum)

It s living proof that opposites attract

**Bbm**

This convoluted braid we are

**F F#**

Loaded with more energy than every single star

**Bbm G# Bbm**

Ooh, we re going to end up in the ground tonight

**F F# Bbm**

Just bury me with her and my guitar

Chorus:

**F# Bbm G#**

No need to be alarmed - That s just the chemicals

**F# Bbm G# F#**

Consider me charmed at the science in our skulls  
          **F**              **F#**              **Bbm**          **G#** (one strum)  
Oh how I love your chemicals

Vers:

**Bbm**  
Now since I started everything  
**F**  **F#**  
My cocoon is shedding and the change is in full swing  
**Bbm**                                  **G#**                                  **Bbm**  
Ooh, we re going to end up in the ground tonight  
**F**                                  **F#**                                  **Bbm**  
Altered in this chrysalis I sing

Chorus

**F#**                                  **Bbm**                                  **G#**  
No need to be alarmed - that s just the chemicals  
**F#**                                  **Bbm**                                  **G#**                                  **F#**  
Consider me charmed at the science in our skulls  
                                  **Bbm**                                  **G#**                                  **F#**  
I swear you won t be harmed, baby girl just trust the pull  
                  **F**                  **F#**                  **Bbm**  
Oh how I love your chemicals

Bridge:

**Bbm**  
Someone come and you can come hold me down  
**G#**                                  **F#**                                  **F**  
if you let me show you how easy now, no one likes a tease  
**Bbm**  **G#**  
The relevant the etiquette redundant and sentiment,  
**F#**  **F**                                  **G#**  
best let me in so I can test your flexibilities

**Bbm**  
Someone come and you can come hold me down  
**G#**                                  **F#**                                  **F**  
if you let me show you how easy now, no one likes a tease  
**Bbm**  **G#**  
The relevant the etiquette redundant and sentiment,  
**F#**  **F**                                  **G#**  
best let me in so I can test your flexibilities

**F# Bbm**

**G#**

That s just the chemicals

**F# Bbm G# F#**  
Consider me charmed at the science in our skulls

**Bbm G# F#**  
I swear you won t be harmed, baby girl just trust the pull

**F F# Bbm**  
Oh how I love your chemicals
