

**Chemicals**

**The Spill Canvas**

Artist: The Spill Canvas

Song: Chemicals

Album: Gestalt

Tuning: Half Step Down

Intro:

**Gm F**

Vers:

**Gm**  
This boils down to science fact  
**D Eb**  
We are elemental structures - destined to react  
**Gm F Gm**  
Ooh, we re going to end up in the ground tonight  
**D Eb Gm F** (one strum)  
It s living proof that opposites attract

**Gm**  
This convoluted braid we are  
**D Eb**  
Loaded with more energy than every single star  
**Gm F Gm**  
Ooh, we re going to end up in the ground tonight  
**D Eb Gm**  
Just bury me with her and my guitar

Chorus:

**Eb Gm F**  
No need to be alarmed - That s just the chemicals  
**Eb Gm F Eb**

Consider me charmed at the science in our skulls  
          **D**          **Eb**          **Gm**          **F** (one strum)  
Oh how I love your chemicals

Vers:

**Gm**  
Now since I started everything  
**D**                                  **Eb**  
My cocoon is shedding and the change is in full swing  
**Gm**                                  **F**                                  **Gm**  
Ooh, we re going to end up in the ground tonight  
**D**                                  **Eb**                                  **Gm**  
Altered in this chrysalis I sing

Chorus

**Eb**                                  **Gm**                                  **F**  
No need to be alarmed - that s just the chemicals  
**Eb**                                  **Gm**                                  **F**                                  **Eb**  
Consider me charmed at the science in our skulls  
                                  **Gm**                                  **F**                                  **Eb**  
I swear you won t be harmed, baby girl just trust the pull  
          **D**          **Eb**          **Gm**  
Oh how I love your chemicals

Bridge:

**Gm**  
Someone come and you can come hold me down  
**F**                                  **Eb**                                  **D**  
if you let me show you how easy now, no one likes a tease  
**Gm**                                  **F**  
The relevant the etiquette redundant and sentiment,  
**Eb**                                  **D**                                  **F**  
best let me in so I can test your flexibilities

**Gm**  
Someone come and you can come hold me down  
**F**                                  **Eb**                                  **D**  
if you let me show you how easy now, no one likes a tease  
**Gm**                                  **F**  
The relevant the etiquette redundant and sentiment,  
**Eb**                                  **D**                                  **F**  
best let me in so I can test your flexibilities
