

## Chemicals

## The Spill Canvas

Artist: The Spill Canvas

Song: Chemicals

Album: Gestalt

Tuning: Half Step Down

Intro:

Bm                      A

Vers:

**Bm**

This boils down to science fact

**F#** **G**

We are elemental structures - destined to react

**Bm** **A** **Bm**

Ooh, we re going to end up in the ground tonight

**F#**                      **G**                      **Bm**        **A** (one strum)

It s living proof that opposites attract

**Bm**

This convoluted braid we are

**F#** **G**

Loaded with more energy than every single star

**Bm**                                  **A**                                  **Bm**

Ooh, we re going to end up in the ground tonight

**F#                      G                      Bm**

Just bury me with her and my guitar

Chorus :

G Bm A  
No need to be alarmed - That s just the chemicals  
G Bm A G

Consider me charmed at the science in our skulls  
F# G Bm A (one strum)  
Oh how I love your chemicals

Vers:

Bm  
Now since I started everything  
F# G  
My cocoon is shedding and the change is in full swing  
Bm A Bm  
Ooh, we re going to end up in the ground tonight  
F# G Bm  
Altered in this chrysalis I sing

Chorus

G Bm A  
No need to be alarmed - that s just the chemicals  
G Bm A G  
Consider me charmed at the science in our skulls  
Bm A G  
I swear you won t be harmed, baby girl just trust the pull  
F# G Bm  
Oh how I love your chemicals

Bridge:

Bm  
Someone come and you can come hold me down  
A G F#  
if you let me show you how easy now, no one likes a tease  
Bm A  
The relevant the etiquette redundant and sentiment,  
G F# A  
best let me in so I can test your flexibilities

Bm  
Someone come and you can come hold me down  
A G F#  
if you let me show you how easy now, no one likes a tease
