Tuning: Standard

CAPO 3rd FRET

Am **F**
If your feet hurt from walking too much,
Am **G**
then I will tend to them, with a velvet touch.
Am **F**
If your lungs just don t want to work today,
Am **G**
then I ll perform you mouth to mouth until your OK.

Chorus:

F **G**
Don t you just love,
Am
the feeling of my fingertips, circling your lips?
F **G**
Don t you just love,
Am
the desire taking hold of you? I can tell you do.

F
I know all your favourite spots,
G **Am**
and tonight we will connect the dots.

Am **F**
If your muscles are wound up and tight,
Am **G**
Than I will loosen up the knots, until it feels right.
Am **F**
If your ears just ache from listening,
Am **G**
Than I ll supply the remedy, in the melodies I sing.
