

Lullaby

The Spill Canvas

This is for the ladies! haha...I always listen to this and play the other versions and to sing along...but it s just too damn low! And I m an alto, so that s definitely saying Anyways, this is basically just a transposition so that you don t have to go out and buy capo for \$25 if you don t already have one.

Intro

G - mostly downstrokes, but listen to the song to perfect it.

G

It s the way that you blush when you re nervous

Am

It s your ability to make me earn this.

C

I know that you re tired

D

G

Just let me sing you to sleep.

G

It s about how you laugh out of pity

Am

Cause let s be honest, I m not really that funny

C

I know that you re shy,

D

G

Just let me sing you to sleep.

Em

If you need anything,

C

Just say the word, I mean anything.

Em

Rest assured, if you start to doze

C

Then I ll tuck you in,

Am

G

Plant my lips where your necklace is closed.

G

It s those pills that you don t need to take,

Am

Medicating perfection, now that s a mistake.

C

I know that you re spent,

D G

Just let me sing you to sleep.

G

It s your finger, and how I m wrapped around it

Am

It s your grace, and how it keeps me grounded

C

I know that you re weak,

D G

Just let me sing you to sleep.

Em

If you need anything,

C

Just say the word, I mean anything.

Em

Rest assured, if you start to doze

C

Then I ll tuck you in,

Am

G

Plant my lips where your necklace is closed.

G

While you were sleeping,

G

I figured out everything:

C

I was constructed for you,

C

And you were molded for me.

G

Now I feel your name.

G

Coursin through my veins.

C

You shine so bright, it s insane.

C

G

You put the sun to shame.

Em

If you need anything,

C

Just say the word, I mean anything. (I really do)

Em

Rest assured, if you start to doze

C

Then I ll tuck you in,

Am

G

Plant my lips where your necklace is closed.

Em

If you need anything,

C

Just say the word, I mean anything.

Em

Rest assured, if you start to doze

C

Then I ll tuck you in,

Am

G

Plant my lips where your necklace is closed.
