A= 002220  
B= 024400  
C#m= 046600

E E  
The streets are dark, my pulse is flat-lined  
A A  
as I m running to you  
E E A A  
You sit completely unaware of what I m about to do  
E E A A  
The air is thick with tension much like when we are together  
E E A A  
My fangs are aching as I m pondering about you and I forever  
  
B  
As I round your corner  
A E  
I am nervous that you won t be my lover  
B A E  
I knock three times and hope that my pale complexion won t blow my cover  
A E  
You answer the door with your innocent face  
B A A E  
Would you like to leave this human race, tonight?

(no chord for the first part of the chorus. start on enough )

E C#m A A  
Eternity will never be enough for me  
E C#m A E C#m A  
and eternally we ll live our infallible love  
  
E A A  
My brain is pumping an unusual secretion of lust  
E  
Your eyes are softer now  
E E A A  
and your chin, it drips a bloody color of rust  
B A E  
I am raising up the stakes of this round, I am playing for keeps  
C#m B A A E  
Ooooh, would you like to leave this human race, tonight?
