

Run Away With Me  
The Spring Standards

Written by Kerrigan & Lowdermilk

**G** **G/F#** **Cadd9**  
Let me catch my breath.

**G** **G/F#** **Cadd9**  
This is really hard.

**G** **G/F#** **B7** **G**  
If I start to look like I m sweating

**A** **Dsus4**  
That s cause I am.

**G** **G/F#** **Cadd9**  
I m not good with words.

**G** **G/F#** **Cadd9**  
But that s nothing new.

**G** **G/F#** **B7** **G**  
Still I have to try to explain what I want to do

**A** **D7Sus4**  
With you...

**Am7** **D7sus4**  
With you.  
Run away with me.

**G** **G/F#** **Cadd9**  
Let me be your ride out of town.  
Let me be the place that you hide.

**G** **G/F#** **Cadd9**  
We can make our lives on the go.  
Run away with me.

**G** **G/F#** **Em7**  
Texas in the summer is cool.

**Dsus4** **Cadd9**  
We ll be on the road like Jack Kerouac

**B7**  
Looking back,

**Cmaj** **D**  
Almost ready,

**G7**  
Let s go

**Em7** **E7**  
Anywhere.

**Am7** **Dsus4**  
Get the car packed and throw me the key.  
Run away with me.

**G** **G/F#** **Cadd9**  
I know this is fast.

**G G/F# Cadd9**

What else can I do?

**G G/F# B7 G A**

Call it crazy, but I m much crazier for you.

I have these plans.

I have all these plans,

**D7sus4**

Of a house that we build on a bay

I m not trying to tie you down.

**Cadd9 G**

I m just saying there might be a life here -

**Cadd9 D**

A new one as soon as we run,

**G G/F# Cadd9**

Let me be your ride out of town.

Let me be the place that you hide.

**G G/F# Cadd9**

We can make our lives on the go.

Run away with me.

**G G/F# Em7**

Mississippi mud - watch me slide

**Dsus4 Cadd9**

We ll be on the road like Jack Kerouac,

**B7**

Looking back.

**G7**                    x23033  
**Cadd9**                    x32033  
**Em7**                    022033

Sorry about the chord spacing. Effort to get it exactly right.  
There s probably a few bits where it s not quite right, but I partially worked  
it  
out from K&L s sheet music,  
not just by watching the video of The Spring Standards, so it s not bad!  
Enjoy :)
