

Slow Train

The Staple Singers

Slow Train (Staples Singers)

(tabbed by B. Brown for D. Hardy)

The opening riff is a open E string bass with descending tremble line on the G and B strings.

The chords are simple. It starts with E then A for the chorus, then E to B to A for the verse. Listen to the recording to get the feel of it. Have fun.

Chorus

E **A**
Its slow,slow train
E
But its moving on

E
I got my ticket
B
Don t don t pass me by
E
If i don t get on
B
OOh i ll break right down and cry
E
You only got one life
B
To live on this earth
A
Oh get me there won t you please
E
Conductor sir

(repeat chorus)

Everybody gets a ticket

You, you and me

So easy to catch a ride

Thats how its got be

Everyone goes there

Just to prove he s the Man

Be easy on yourself

For there s no helping hand
