

Million Hearts
The Starting Line

G

Its insane,

Em G

don t know why i came,

C G

guess just to see you here,

C G

but from far away,

Em D C
all i see is him and i just move on.

D

This is crazy.

G

No dates,

Em G

for the prom you say,

C G

as we both finally meet.

C G

Then your smile fades

Em D C
And i see in your eyes that it s all no fun.

Em

Then you turn back to him

D C D

as a calm theme song comes on.

G Em

I m still in love,

C D

but im one of the

G Em C D
million hearts you ll some day break.

G D

Close my eyes,

C D C

but still i won t give up.

C D C

Still i wont give up.

D

Nooo....

I wait,
in this dance floor haze,
suffer the silly suit,
just for one more gaze.

And I m sneaking around like a fool
so dumb.

On a saturday night man,
is this what I ve become?

I m still in love,
but I m one of the
million hearts you ll some day break.
Close my eyes,
but still i wont give up.
Still i wont give up
Nooooo....

And i know that i still don t believe it s true.
but i cant let you go,
and i told her what to do.

I m still in love,
but I m one of the
million hearts you ll some day break.
Close my eyes,
but still i wont give up.
Still i wont give up
Nooooo....
