Still don t know where to begin

**Em**

**C**

I ll just leave it at this

**G, C, Em, C**

**G**

**C**

I m sure you always feel my eyes on you

**Em**

**D**

**C**

But i hope that you will never feel unwanted

**G**

**C**

Wait for me to move out west

**Em**

It s ok if you don t

I hope you know

**D**

You re my favorite thing

**C**

About the west coast

Till California comes

**C**

The best way I can accept

**Em**

**C**

The lonely words I miss you

**C**

Coming back to where I ve been

**Em**

**C**

I ll just leave it at this

I m sure you always feel my eyes on you  
But I hope that you will never feel unwanted  
If you feel unwanted  
Wait for me to move out west  
It s ok if you don t  
I hope you know  
You re my favorite thing  
About the west coast  
I wish I stayed  
I hope you wait  
So here I am  
Counting down the days  
Till California comes

Wait for me to move out west  
It s ok if you don t  
I hope you know  
You re my favorite thing  
About the west coast  
I wish I stayed  
I hope you wait  
So here I am  
Counting down the days  
Till California comes

Till California comes
