

**Chicago**  
**The Staves**

**G** **Dm** **F**  
I fell in love again  
**C** **G**  
All things go, all things go  
**Dm** **F**  
Drove to Chicago  
**C** **G**  
All things know, all things know  
**Dm** **F**  
We sold our clothes to the state  
**C** **G**  
I don t mind, I don t mind  
**Dm** **F**  
I made a lot of mistakes  
**C** **G**  
In my mind, in my mind  
**F**  
You came to take us  
**C** **G**  
All things go, all things go  
**F**  
To recreate us  
**C** **G** **F**  
All things grow, all things grow We had our mindset  
**F** **G**  
All things know, all things know  
**Dm** **F**  
You had to find it  
**Am** **C** **G** **Dm** **F**  
All things go, all things go

**C G Dm D C G**

**Dm** **F**  
I drove to New York  
**C** **G**  
In a van with my friend  
**Dm** **F**  
We slept in parking lots  
**C** **G**  
I don t mind, I don t mind  
**Dm** **F**  
I was in love with the place  
**C** **G**  
In my mind, in my mind  
**Dm** **F**  
I made a lot of mistakes

**C**                    **G**  
 In my mind, in my mind  
                          **Dm**            **F**  
 You came to take us  
                          **C**                                    **G**  
 All things go, all things go  
**G**                                    **F**  
 To recreate us  
                          **C**                                    **G**                                    **F**  
 All things grow, all things grow We had our mindset  
                          **Am**                                    **G**  
 All things know, all things know  
                          **Dm**            **F**  
 You had to find it  
                          **C**                                    **G**            **Dm**  
 All things go, all things go
