A	E7sus4		
I am a cardinal red			
E7	A	E7/B	
I am of blood and of bones and of heart and of head

A thousand miles ahead and behind

Oh to be lost, oh to be wasting my time

On a hill we lay in the sun			
E7	A	E7/B	
In the foot of a statue of all battles lost, battles won			
A	E7sus4		
I remember you re voice and you re clothes			
E7	A	E7/B	
A well chosen passage of words from a book I don t know			
A	E7sus4		
Oh me, oh my, oh man what have I become			
E7	A	E7/B	A
Running around writing letters I ll never send home			
A			
Call me in the morning I ll be alright			
Call me in the morning I ll be alright

Call me little honey and I ll be fine

Call me in the morning I ll be okay			
Call me in the morning I m far away			
	E7/B	C#m	

Call me little darling and I ll be fine

A

An eagle flew above us
Blankets wrapped around us
Lucky that she found us
Rooted to the ground 2x

No one will believe us
Mountains as our witness
Blankets wrapped around us
The eagle flew above

A C#m D

By the lake

A

So high, so high

A

Call me in the morning I ll be alright

Call me in the morning I m far away
