

**Nothing You Cant Lose**  
**The Steel Wheels**

[Intro]

**C**

Tell your friends, tell your neighbors

**F**

Tell your sister, tell some strangers

**C**

There ainâ€™t nothing that you have

**Am G**

That you canâ€™t lose

[Verse 1]

**C**

**Cm**

Give me love

**C**

Let me down

**F**

Drag my name all over this town

**C**

no regrets, no revenge

**G**

no excuse

**Dm C**

Iâ€™ve been left up in the sky

**F**

Iâ€™ve been down, I wonâ€™t lie

**C**

**G**

It ainâ€™t easy any time that you choose

**Cm**

**C**

Get you God or get you ?Judas?

**F**

Take the silence or start the screaminâ€™

**C**

**G**

**C**

There ainâ€™t nothing you have that you canâ€™t lose

**F**

Take me down to the place where I was

**C**

When I came on board

**F**

Every plant that you take

**G**

will have you knockinâ€™ on the same old door

**C**

**C**

Take your time, breathe it in

**F**

Strange comfort but in the end

**C G C**

There ainâ€™t you have you canâ€™t lose

[Instrumental]

**Cm C**

Oh yea // //

**C**

Take your silver and your gold

**F**

Iâ€™ve been ?up? like youâ€™ve been told

**C**

But all your money

**Cm C G**

Ainâ€™t no good on this cruise

**C Gm C**

If youâ€™re luck has been low

**F**

I your down and you just donâ€™t know

**C**

Take some courage because

**G**

Hereâ€™s the news

[Chorus]

**C**

You can tell your friends

Tell your neighbors

**D F**

Tell my mama

Go tell some strangers

**C G**

There ainâ€™t nothing you have that

**C**

you canâ€™t lose

[Verse 2]

**F**

**Cm C**

Take me down to the place where I was when I came on board

**Dm F**

Every plant that you take

G

Will have you knock on the same old door.

Gm C Gm

Take some time

C G F

Read the news strange comfort but in the end

C G C

There ain't nothing you have that you can't

G F

No no there ain't nothing you have that you can't lose.

Dm Cm C

ohh oh a woha
