Remaining verses/choruses are the same as above..

I can smell the wood smoke risin
feel the wind out in the pines
see the way I left her cryin
every time I close my eyes

Cause Iâ€™ve been dreaming of the girl I left behind
Lord she had the truest heart Iâ€™ve ever known
And Iâ€™ve been looking for a world Iâ€™ll never find
Ever since I left my East Kentucky Home

Think Iâ€™ll get up with the sunrise,
think Iâ€™ll pack my things and go
it s taken me this long to realize
the only thing I need to know

Cause Iâ€™ve been dreaming of the girl I left behind
Lord she had the truest heart Iâ€™ve ever known
And Iâ€™ve been looking for a world Iâ€™ll never find
Ever since I left my East Kentucky Home
Ever since I left my East Kentucky Home
