

Hear The Willow Cry
The SteelDrivers

capo 2

intro follows chorus chords

(chorus)

Em **B7**
won t you bury me beneath the tree
D **A**
where my family lies where my family lies
Em **B7**
let the fog lay low on the mountain high
D **Em**
hear the willow cry hear the willow cry

C **G**
ain t no redemption for the thing that i have done
D **Am**
the devil owns you once the bullet s left the gun
C **G**
all i can think of with this rope around my neck
Am **B7**
is i d be much obliged if you grant me one request

Em **B7**
won t you bury me beneath the tree
D **A**
where my family lies where my family lies
Em **B7**
let the fog lay low on the mountain high
D **Em**
hear the willow cry hear the willow cry

C **G**
my soul turned black as coal when i walked the streets that night
D **Am**
cause in my heart i knew that something wasn t right
C **G**
and i went crazy when i found her with that man
Am **B7**
but i felt better once the blood was on my hands

Em **B7**
won t you bury me beneath the tree
