Subject: CRD: ELEPHANT STONE - THE STONE ROSES

Elephant Stone
Capo 1.

[Verse 1]

G **C**
Burst into heaven
G **C**
Kiss in the cotton clouds
G **C**
Arctic sheets and fields of wheat
D
I can t stop coming down

(same as verse 1)

Your shrunken head
Looking down on me above
Send me home like an elephant stone
To smash my dream of love

Dreaming till the sun goes down
And night turns into day
Rooms are empty I ve got plenty
You could move in right away

C **D**
Seems like there s a hole
G **C** **G**
In my dreams
In my dreams
In my dreams

[Verse 2]
(same as verse 1)

Down through the heavens
Choke on the cotton clouds
Arctic sheets and fields of wheat
I can t stop coming down

Your shrunken head
Looking down on me above
Send me home like an elephant stone
To smash my dream of love

Did your bed and bookshelf go
And run run run away
These four walls saw the rise and fall
And your midnight getaway
Seems like there s a hole
In my dreams
Or so it seems
Yet nothing means anything
Anymore
