She Bangs The Drums

E **A** **E**
I can feel the earth begin to move
 A **D**
I hear my needle hit the groove

And spiral through another day
 E
I hear my song begin to say
 A **E**
Kiss me where the sun don t shine
 A
The past was yours

D
But the future s mine
You re all out of time

I don t feel too steady on my feet
I feel hollow I feel weak
Passion fruit and holy bread
Fill my guts and ease my head
Through the early morning sun
I can see her here she comes
She bangs the drums

A **D** **A**
Have you seen her have you heard
 D **A**
The way she plays there are no words
 D **E**

To describe the way I feel

A **D** **A**
How could it ever come to pass

D **A**
She ll be the first she ll be the last
 D **E**

To describe the way I feel

A
The way I feel

Have you seen her have you heard
The way she plays there are no words
To describe the way I feel

How could it ever come to pass
She ll be the first she ll be the last
To describe the way I feel
The way I feel

Have you seen her have you heard
The way she plays there are no words
To describe the way I feel

How could it ever come to pass
She ll be the first she ll be the last
To describe the way I feel
The way I feel
