You show it
F
And the time has come
C
To shoot you down
What a sound
G
When the day is done
F
And it all works out
N.C.
I d love to do it and you know you ve always had it coming

[Chorus]

You know it
You show it
And the time has come
To shoot you down
What a sound
When the day is done
And it all works out
I d love to do it and you know you ve always had it coming

[Verse]

C
I never wanted
F
The love that you showed me
C
It started to choke me
And how I wish I d said
G **F**
No too slow
G
I couldn t take
F
That too fast
C
I want you to know

[Chorus]

You know it
You show it
But I can t back down

It s far too late
I can t wait

[Bridge]

Now the time has come
It ll all work out
And when this
Thing is done
It ll leave no doubt
So when you ve
Had your fun
Will you all walk out?

[Outro]

I d love to do it and you know you ve always had it coming
I d love to do it and you know you ve always had it coming
I d love to do it and you know you ve always had it coming
