

I m looking through your window
I might just have the key
Over me my free-fall baby
You hear me as you speak

I m standing here
I really don t think you could know that
I m in heaven when you smile
I m standing here
I really don t think you could know that
I m in heaven when you smile

But I m everywhere
I really don t think you could know that
I m in heaven when you smile
But I don t think you think like I do
No matter how how hard I try
I always thought I had the answers

Let me tell you what I ve got

B

I should be safe forever in your arms

I should be safe forever in your arms

Who could park the juggernaut in your mouth?

And I can feel the hurricane when you shout

I should be safe forever in your arms

I should be safe forever in your arms

PICK THE END (I THINK USING THE A AND B CHORDS PICKING THE A-B-G STRINGS
