E	Bm	A	D	G
My thoughts are my doctor s excuse for medicine				
Bm	D	A	D	G
But I find it healthy to get lost inside my head				
	D		A	D
And come back with all that I can find				
G				
And write it down on light blue lines				
	A	D		G
It s far more useful than reading the Contra Costa Times				

(each note here is about three quick strums, some have one up strum in it)
E D G D E A G Bm A G D A G D

G	Bm
Fifty-Five up YV road, Encina on my left	
	Em
All you tried and failed to do was justify your theft	
A	D
And I get that you re bereft of other things to occupy yourself	
Bm	A
D	G
But keep my goddamn name out of your mouth (you re just a shade of gray)	
D	
And all I want is forward progress	

G **A** **F#m** **Bm** **A** **G**
And maybe next year I ll miss your face but right now its still worthless.

D **A**
Wasted time, mostly mine its not my fucking fault

G
So get lost and find your way home

Bm **G**
(get lost and find your way home)

Bm
Get lost and find your way home!

D **A** **Bm** **A** **G**
Leave my mind alone so I can rate and number my thoughts 1 2 3

E **Em** **A** **D** **A** **D**
On a list that weighs and measures my priorities

A **G**
It goes 1-friends 2-bands 3-that green two-tone van

Bm **A** **D** **G**
And losing my money it s not about money

D **A** **D**
Cuz all I want is forward progress

G **A** **Bm** **G**
And maybe next year I ll miss your face but right now its still worthless.

D **A**
Wasted time, mostly mine its not my fucking fault

G
So get lost and find your way home. (Get lost and find your way home.)

A **Em**
Get lost and find your way home.

G **D** **G** **D** **A** **D**
And all I got was a blank stare

G **D** **G** **A** **G**
Right between the eyes like I wasn t there

D **A** **G** **D** **G** **A** **C**
And all I got was a blank stare

G **D** **G** **D** **A** **D** **A** **G**
Right between the eyes like I wasn t there
