Dont Bring Harry The Stranglers Bm A G C# F# Bm A G C# Harry and me we live in a dream C# With a friend like him I don t need enemies I don t know where morning is It might not come today That s the trouble when harry s around F# G F# He forces me to play Bm A G C# F# I should have refused to meet this midnight cheat He likes to prey on my mind with his own special treat I don t know when morning comes It might not come today Harry likes to play all night F# G F# I ll do what harry says C# G Don t bring harry I don t need him around C# Don t bring harry I don t need him around Bm A G C# F# Bm A G C# F# D C Ah you ve met harry I can see by your eyes If once there was life there, now there s compromise Bm A G C# Harry is a beast of luxury

He just wants my body and soul - leaves the bones behind

E D C Bm

Ah you we met harry I can see by your eyes

E D C# F# G F#

If once there was action - Now there is no life

E G C# C

Don t bring harry I don t need him around

E G C# C Bm

Don t bring harry I don t need him around
