The Stranglers

Intro: **Esus2   Ebsus2   G#m**
      Esus2   Ebsus2   G#m

Verse:
        Esus2
Woke up on a good day
Ebsus2   **G#m**
     And the world was wonderful
            Esus2   **Ebsus2**   **G#m**
A midnight summer dream had me in its spell
   Esus2
I dreamt about an old man
Ebsus2   **G#m**
Sat and watched the rain all night
                      Esus2   **Ebsus2**   **G#m**
He couldn t sleep a wink as all the drops fell

Pre-Chorus
    Esus2
He told me of the beauty
                        G#m
     Hidden in our foreheads
                    Esus2
He told me of the ugliness
               C#m   Ebm
We show instead
    Esus2   **Ebsus2**
And when we put a foot wrong, do we learn
           G#m
From all the pain?
              Esus2   **Ebsus2**   **G#m**
A midnight summer dream as he watched the rain

Chorus:
F#   **G#m**   **Esus2**
  Then at midnight he poured another drink
                  Ebsus2
And bent my ear
F#   **G#m**   **Esus2**
  After midnight we sat up half the night
         Ebsus2
Or maybe more

```
       C#             A                                    G#m
And he began to tell me what it was all for

Verse:
  Esus2           Ebsus2
I woke up in an armchair
                    G#m
He had gone, I don t know where
              Esus2        Ebsus2       G#m
Left me there to sit and look at the rain
                 Esus2     Ebsus2
Don t remember much at all
                      G#m
But his words were echoing
              Esus2              Ebsus2        G#m
A midnight summer dream and then wake again

Pre-Chorus
                    Esus2
Maybe I ll never find him
                  G#m
Maybe he s gone forever
                      Esus2
Maybe I ll have to sit here
C#m             Ebm
  Watching the weather
               Esus2     Ebsus2
One thing s pretty certain, helped me
        G#m
Make it in the night
               Esus2          Ebsus2          G#m
Showed me somewhere else between wrong and right
