Ray decided to be silly after all,  
**D#m** **G#**  
He died a thousand times in the Viet war,  
**D#m** **G#**  
So he strapped himself in and he took his chances,  
**F#** **G#**  
Into the valley of the bird absurd,

**D#m** **G#**  
I don t remember what it was the old man said,  
**D#m** **G#**

And had a fight for the brother who can be,

**D#m** **G#**  
Birdman,  
**D#m** **G#**  
Looking for the waste land,  
**D#m** **G#**

We decided all for all and all for one,  
**D#m** **G#**  
And when I do I really wanna go in style,  
**D#m** **G#**  
So without a sense of reason we explored life,  
**F#** **G#**  
Like throwing stoned into the great unknown of
