saying to me that I would say

Dm

every little creature that lives alone

E

Am

time gets enough to get him sit right down

Am

and now time s a reaching and I m not there

and in the end and I am said/sad

Dm

all the little people, they re in your way

E and a something..... someone to bowl with **Am**

Am
and I m tired

Am
but I m older

Dm
and I said that I was wrong

Am
and I m not going that way

Am
see I ain t going that way

Am
and I m not going that way

Am
and I m not going that way

in a church wehn went in your in that fate
bring it down and a past in your visit
all the little poeple that run around
and I touch them someone that s underground

and hes always
from the corpses
and all a trying yaw yaw yaw (well that s what it sounds like)
finally a part of something new
I ll show them all back home

where s the child I overheard?
and I m not going that way
i m not going that way
I m not going that way
cause I always go your side in
