At the door
The Strokes

```
Intro Gm   Am7   F
      Gm   Am7   Bb
```

```
Gm                      Am7   F
 I can t escape it
Gm                          Am7 F     Bb
 I m never gonna make it out of this in time
                      Cm
I guess that s just fine
         Gm
I m not there quite yet
 Am7   F            Gm       Am7   F
My thoughts are charmless
      Bb
Like?a little boy
           Cm
What you runnin  for?
 Gm              Am7   F
Run at the door
Gm              Am7   F
 Anyone home?
        Bb
Have?I?lost?it all?
```

```
                    Cm7
Struck me?like a chord
            F
I m?an only boy
                  Bb
Holdin  on the night
                Eb
Lonely after light
                        Cm7
You begged me not to go
                   F
Sinkin  like a stone
                   Bb
Use me like an oar
                      Eb  F
And get yourself to shore
```

```
 Gm                 Am7   F
Bang at the door
Gm              Am7   F
```

```
 Anyone home?
             Bb
It s just what they do
            Cm
Right in front of you
        Gm           Am7   F
Like a cannonball
             Gm                   Am7   F
Slammin  through your wall
             Bb
In their face, I saw
                Cm
What they re fightin  for
Gm                    Am7   F
 I can t escape it
     Gm                    Am7   F           Bb
I m never gonna make it to the end, I guess

                    Cm7
Struck me?like a chord
                 F
I m?an only boy
                    Bb
Holdin  on the night
                  Eb
Lonely after light
                      Cm7
You begged me not to go
                   F
Sinkin  like a stone
                   Bb
Use me like an oar
                      Eb   F
And get yourself to shore

       Gm                    Bb
Onto fight what I can?t see
        Eb
Not tryna build
     F
No dynasty
          Gm                Bb
I can t see beyond this wall
           Eb
But we lost this game
               F
So many times before

     Cm7
I been on a cold road
        F
```

```
I ll be waiting, yeah
          Bb
I ll be waiting from the other side
          Eb
Waiting for the time to pass
Cm7
I been on a cold road
        F
I ll be waiting, yeah
          Bb
I ll be waiting from the other side
          Eb
Waiting for the time to pass
```
