

**The adults are talking**  
**The Strokes**

Intro Gm C F Bb

Then I said  
You're sophisticated  
Men complaining  
Overeducated  
They are bleeding  
All their old excuses  
Needs to wish and see  
Now they're in your way

Now I'm sitting  
By the elevator  
We can't help it  
If we are a problem  
We are sick  
Don't forget our faces  
Climbing up your wall  
Climbing up the wall

Don't hold back cause you never look down  
And cause you think of me when you think of him  
Oh yeah you don't think wrong or rights to do  
Oh yeah you said it now and you said it?™s a joke

And then you think that you're wrong and you said I was right

C

And then you won't look down cause you never realize

F

And then I won't look down cause you want me to

Bb

Cause baby you want me do it the same as you
