Title: Everything that Rises
Album: Once Around the World
Corrections welcome

Intro:
(**E G# C#m A**) x4

E   **G#**
There was a time

C#m   **A**
I was yours, you were mine

E   **G#**   **C#m A**
We shone in the light of the day

E   **G#**
No puzzle, no games

C#m   **A**
straight-talking, as they say

E   **G#**   **C#m A**
Nothing could stand in our way

F#
Two people in a trance are

A
two fighters in a dance

     F#
They respect each other s tears

A   **B**
A fighter s pride is built on fear

chorus:

E G#   C#m
I, I m amazed

          A

```
                         I let it slip away

E G#      C#m
I, I am crazed

            A
it s running through my veins

F#                A
Everything that rises

              (E G# C#m A) x2
has to fall

E            G#
Somewhere I read

C#m          A              E
the truth is better left unsaid

              G#           C#m     A
Avoid all the hurt and the pain

E                G#
I m a crooked companion

C#m          A
You d better watch your step

E      G#             C#m    A
when I take you out to play

F#
Drink from this golden cup

A
The days aren t long enough

F#
Hoist up the scarlet sails

A                        B
I jumped to shore as we moved away

(chorus)

(E G# C#m A) x4
F#  A
F#  A B

final chorus (finish on A):
```

E G#   C#m
I, I m amazed

         A
I let it slip away

E G#   C#m
I, I am crazed

          A
it s running through my veins

F#   A
Everything that rises...
