

**Romeos On Fire**  
**The Stunning**

Artist: The Stunning  
Title: Romeo s on Fire  
Album: Paradise in the Picture House

This is a very straightforward song.  
The verse A chords sound best with pull-off  
and hammer-on Asus2 chords but 1. that s fairly intuitive  
if you play them as open chords and 2. you won t miss them  
too much if you don t.  
Corrections welcome.
