You ve got to
Cm Bb Bb Cm (G#)
give a little love, take a little love Give a little love for love _
Cm Bb Bb Cm (G#)

Give a little love, take a little love Give a little love for love Baby
Cm **Bb** **Bb** **Cm**
 give a little love, take a little love Give a little love for love
G# Fm (G#) Bb
 Lo..o...ve

instrumental (same as verse)

It used to be so sweet, just you and me
 Don t tell me that you re letting me down

You ve got to give a little love, take a little love
 Give a little love for love Give a little love, take a little love
 Give a little love for love
 Baby, give a little love, take a little love
 Give a little love for love

You ve got to give a little love,
 take a little love (Got to give a little love for love)
 Give a little love for love
 Give a little love, take a little love (I love you)
 Give a little love for love (And I always will)
 Baby, give a little love, take a little love (You ve)
 Give a little love for love (Got to give a little love, just a little bit of
 love,
 you ve)
 You ve got to give a little love,
 take a little love (Got to give a little love for love)
 Give a little love, take a little love (I love you)
 Give a little love for love (And I always will)
 Baby, give a little love, take a little love (You ve)
 Give a little love for love (Got to give a little love, just a little bit of
 love,you ve)
 You ve got to give a little love, take a little love

PS: These chords are in the same key the song was recorded, but they work as well (and are easier to play) if one uses capo on the 3rd fret, and:

verses: **C Am F C**
C Am F Am

you seem to look so sad.. **Em Am**
Em Am
F Dm G

chorus: **Am G G Am (F)**
Am G G Am (F)
Am G G Am

F Dm F G
lo..o..ove

If anyone feel like some chords should be different, please add a suggestion here!

I couldn t find the chords anywhere, so I tried to learn them by ear, but I m not so good at these.. :)
