

I Want To Hear What You Have Got To Say
The Subways

Capo on 4th fret!

The strum pattern is pretty obvious if ya listen to the song

[Intro]

Am C x2

[Verse]

Am C
Another day is here and i am still alive

Am C
I ll say these words aloud, they speak from the inside

F G
And every time I see you

Am C
You just walk away

F G
And still the world is turning

[Chorus]

Em C
I wanna hear what you, what you ve got to say

Em C
I wanna hear what you, what you ve got to say

Em C
I wanna hear what you, what you ve got to say

Em C Am G
I wanna hear what you, what you ve got to....say ay ay ay

Am C x2 (louder and faster than before)

(Same chords as the previous verse)

[Verse]

My mind is all made up, I m doing all I can
I m trying hard to think, but I can t understand

Why everytime I see you
You just walk away

And still the world is turning
I will not complain

Am C x4 (strum pattern changes a little bit)

(relative to capo)

e|---0-----0-----0-----3-0-----|
B|-----3-1-----3-1-----3-1-----3-1-----|

G|-----| x2
 D|-----|
 A|-0-----0-----0-----|
 E|-----|

[Verse]

(Same chords as previous verses)

My head is spinning round, I don't know what to do
 If I'm so happy, I've got everything to lose
 And everytime I see you
 I can't stand to say
 And now it's always raining
 You're the one to blame

Am C x2 (like before)

F **G**
 Everytime I see you
Am **C**
 You just walk away ay ay ay ay aaay ay ay ay
F **G**
 Still the world is turning

[Chorus]

(Same chords as last chorus)

I want to hear what you, what you've got to say
 I want to hear what you, what you've got to say
 I want to hear what you, what you've got to say
 I want to hear what you, what you've got to...
 Say ay ay ay

Am C Am C Am

enjoy!
