Give
The Suicide Machines

Just so no issues arise, I didn t write this, nor am I trying to take credit for
it. There was no author name on it when I got it...

intro: As Eiis Ds Eiis

verse 1:
As   Eiis   Ds   Eiis
i ve got a million things going around in my head
       As   Eiis   Ds   Eiis
and i never really paid attention to what you said, no
(same chords)
and now i wish that i would have said goodbye,
but it s too late, and all i do is give and all you do is take

chorus:
As   Eiis
you ve gotta look before you leap
Ds   Eiis
and take a good look at your so-called friends
       As   Eiis
yeah, that s the company you keep
           Ds   Eiis
you ve got words coming from all directions
(same chords)
you gotta look before you leap
and take a look at your so-called friends
yeah, that s the company you keep - they got words, oh yeah

verse 2:
there s a lot fo things that were never said
and if we d grown up faster then i could have stood up
but - i should have cut you loose a long time ago,
but it s much too late
and all i do is give and all you do is take

repeat chorus

verse 3:
well, there never was a time when you didn t try to lord me over
never was there a time when i felt bad for you
whenever you had the chance, the way i see it

you ve gotta look before you leap, oh yeah (2x bass and drums only)
