We were the rulers

**C**

**G**

We had the world, but no we never had enough

**Am**

Your head on my chest,

**F**

I watched you sleeping,

**C**

**G**

Stayed awake and wondered what you're dreaming of.

**Dm**

Where did you go?

**Am**

Gave you my heart,

**G**

Wrote you a note, you tore it apart

**Dm**

Take your time

**Am**

Wait it out

**G**

~Til this is over

**C**

Tell me how long it takes,

**G**

To fill an empty heart,

**Am**

**F**

To let it wash away and take it back, take it back.

**C**

Back to the way we burned

**G**

Like we were falling stars.

**Am**

Tell me how long it takes to

**F**

**Am**

Take it back; take it back, back to the start.

**C**

**G**

I wish you never would have gotten on that plane.

**Am**

Did you get scared

**F**

Or did I love you too much?

**C**

**G**

I guess that's why they call it a runway.

**Dm**

Where did you go?

**Am**

I gave you my heart.

**G**

I'm by myself and we're apart.

**Dm**

Take your time,

**Am**

Wait it out,

**G**

~Til this is over.

**C**

Tell me how long it takes,

**G**

To fill an empty heart,

**Am**

**F**

To let it wash away and take it back, take it back.

**G**

No one could ever take your place.

**Dm**

I wonâ€™t let you go,

**Am**

**G**

Donâ€™t be the one that got away.

**C**

Tell me how long it takes,

**G**

To fill an empty heart,

**Am**

**F**

To let it wash away and take it back, take it back.
