

**Dont Let Me Go
The Summer Set**

Verse 1

Bm **D** **G**
Hanging on a tight rope, swinging ten stories high
Doing my best to not look down.
Feeling like a ghost in the middle of a crowded room.
I m alone, a stranger in my own town.

Em **Bm**
Oh who will be the one to save me?

G
Fix me up,
Help me come around,

A
I m falling now.

D **G**
Don t let me go, don t let me go

Bm
Is anybody gonna lift me up?

A
When you gonna come lift me up?

D **G**
I m out of my head, flat on my face.

Bm
Is anybody here listening?

A
When you gonna come let me in?
Don t let me go.

[Same like the first verse]
Spinning in the back yard where I grew up,
Lost a piece of me inside that house.
The top of that tree was the top of the world
But now it s gone,
Not a root left in the ground.

Oh just a memory, I m chasing
Better days, but I m far behind
Am I still alive?

Don t let me go, don t let me go
Is anybody gonna lift me up?
When you gonna come lift me up?

I m out of my head, flat on my face.
Is anybody here listening?
When you gonna come let me in?

G **A**
Cause the hardest part is holding on,
When everything has come undone.
Yeah everybody needs someone.

D5 **G5**
So when you gonna come lift me up?

B5 **A5**
When you gonna come lift me up?
Are you gonna come lift me up?
When you gonna come lift me up?
Don t let me go.

D5
(Is it gone gone? Will it ever come back?)

G5
Is it gone gone? Will it ever come back?

D5 **A5**
Is it gone gone? Will it ever come back, will it ever come back, will it
Ever come back.)
