

Lights

The Summer Set

Intro:

E B A E B A Db B A B

Verse 1:

E B A
Just keep me close tonight.

E
Under the covers,
B A E
she said let s make this right.

B A E
Cause we re all we ll ever need,
B A
And we got time.

Pre-Chorus:

B
So keep the lights down low
A
Oh oh, you know, you do this to me.
B A
So speak up if you feel the way I feel

We never love like this

Chorus:

E B
Don t hurry just slow it down now.
A
We got time to make our move
E B
Don t hurry just slow it down now.
A
Step back, oh its time we re wasting

Interlude:

E B A E B A

Verse 2:

E
You know, the cold night air
A E

It s not the only thing making me shake

We could be anywhere

A

From LA lights, to Arizona skies

E

A

Cause we re all we ll ever need

E

The two of us on on the silver screen

A

Stay close, don t forget it, don t forget it

You ve got me.

Pre-Chorus:

B

So keep the lights down low

A

Oh oh, you know, you do this to me.

B

A

So speak up if you feel the way I feel

We never loved like this

Chorus:

E

B

Don t hurry just slow it down now

A

We got time to make our move

E

B

Don t hurry just slow it down now

A

Step back, oh its time we re wasting

Bridge:

E

So keep the lights down low

A

E

Cause this is all we ll ever need

A

So keep the lights down low

Oh oh...

Chorus:

E

B

Don t hurry just slow it down now

A

We got time to make our move
