

# Mannequin

## The Summer Set

This is a great song. Pretty easy to play.

Capo 2

[illegible]

Heâ€™ll pick you up just to knock you down,  
One day Iâ€™ll see you both in hell.  
Is it everything that you thought itâ€™d be?

When heâ€™s lying there I bet you think of me.  
**C** **G**  
 I swear heâ€™ll only dress you up,  
**Am**  
 Go out just to show you off.

**F**

Girl I donâ€™t know what you see,

**G**

Youâ€™re more than just a mannequin to me.

Am G C F  
Now you and I are staring at each other from across the room

Am G C F  
And there he goes, hanging on tight like the necklace I gave you

Am G C F  
Iâ€™m moving on, living well is the best revenge.

Am G  
Oh is this, is this what you wanted?

Heâ€™ll pick you up just to knock you down,  
One day Iâ€™ll see you both in hell.  
Is it everything that you thought itâ€™d be?

When heâ€™s lying there I bet you think of me.

**C** **G**  
I swear heâ€™ll only dress you up,

**Am**  
Go out just to show you off.

**F**  
Girl I donâ€™t know what you see,

**G**  
Youâ€™re more than just a mannequin to me.

**Am** **G** **C** **F**  
You and I fell apart like a rag doll torn at the seams

**Am** **G** **C** **F**  
Then he came in stitched up the pieces like some kind of hero.

**C** **G**  
Heâ€™ll pick you up just to knock you down,

**Am**  
One day Iâ€™ll see you both in hell.

**F**  
Is it everything that you thought itâ€™d be?

When heâ€™s lying there I bet you think of me.

**C** **G**  
I swear heâ€™ll only dress you up,

**Am**  
Go out just to show you off.

**F**  
Girl I donâ€™t know what you see,

**Am** **F**  
No girl I donâ€™t know what you see.

**C** **G** **C**  
Youâ€™re more than just a mannequin to me.
