```
Mona Lisa
The Summer Set
Tuning: Standard
Capo on 6th
Girl I d steal the mona lisa but I know I would keep her
Cause I wake up next to you, every day
I d buy the Taj Mahal, never visit it at all
If that s the only price I gotta pay
Am
                    C
                              Am C
Cuz I ve never loved anything like I love you
Е
I d go and catch the moon and I d drag it down to you
But I know you ll be brighter anyway
Id walk the whole great wall, and every brick I d count em all
Then I d start over the next day
                   C
                            Αm
Cuz I ve never loved anything like I love you
Am C
Like I love you
Am E C D
(Like I love you)
E(strum sparingly)
Turn on every light in New York City
C(strum sparingly)
Id still be blind if you weren t with me
D(strum sparingly)
You re the only one who opens up my eyes
Am
                   С
                             Am
                                  С
Cuz I ve never loved anything like I love you
Like I love you
    C
Like I love you
```

E(strum once)
I d steal the mona lisa but I know I would keep her
C(strum once)
Cause I wake up next to you, every day
