

Someone Like You
The Summer Set

You can play this with no capo or capo on 1, they both sound good. I wouldn't advise transposing it because it doesn't sound very good. There are no other chords for this song that are right and these are really close. Please rate:)

E
You've got a price tag hanging on the back of your dress
(**E**)

You've got your shoes undone, and your hair's a mess
(**E**) **B** **A**
But no one sees you like I do

E
You roll the windows down when it's starting to rain
(**E**)

Yeah, everybody else might think you're insane
(**E**) **B** **A**
But no one sees you like I do

A - STRUM ONCE
Cause the little things, don't mean much to me my

E
Girl, I'd cross the whole world, for someone like you
B **C#m** **A**
Oh oh no matter where I go, Oh oh my unpredictable

E
Girl, you're impossible girl, you know that it's true
B **C#m**

Oh oh no matter what you do, I'd cross the world for someone like you
A

Someone like you

B
A girl like you

C#m
Someone like you

E
You love to sing along when you don't know the words
(**E**)
You lock your keys in your car right next to your purse
(**E**) **B** **A**
Yeah no one sees you like I do

E
You only show up right out of the blue
(**E**)
Then 20 minutes late's 5 early for you

(E) B A

Yeah no one sees you like I do
