Intro: **E B C# A** x2

E **B**
Do you remember, back when  
C# **A**
We fell in love in your best friend's basement?
E **B** **A**
Spun the bottle and hoped it will land on you.
E **B**
Thought we were cool, listening to Zeppelin.
C# **A**
Making out on the Stairway To Heaven 
E **B** **A**
Nowhere to go, so slept out on the roof  

C# **B** **A** **E**
But now, we hardly even speak, at all.
C# **A** **B**
Looking back, how did we get away?

E **B**
I never thought that we'd surrender,
C# **A**
When I was yours and you were mine.
E **B** **A**
Never regret, no, we learned how to love;  
E **E** **B** **C#** **A**
