

Young

The Summer Set

I did an acoustic version of this song on guitar, and this is what I came up with. I think it s a whole step lower than the actual song. Enjoy! :)

Intro: **C F Am G** x2

C **F** **Am** **G**
You and I are young, What makes it wrong For us to fall in love
C **F** **Am** **G**
And either way, we ll never change, We ll talk and touch the day away

C **F**
Now would you love me if I was crazy?
Am **G**
Girl, I m going crazy for you I m crazy for you
F **G**
Lets waste away together, We can stay this way forever

C **G** **Am**
Because we re never gonna be as young as we are tonight

F **C**
We ll let the world know we re alive

G **Am**
We re here to chase the flashing lights

F
Just wait and see

Am **C**
Then there s no need to complicate it

F **C**
This will be our year to take it

Am **G** **C**
We re never gonna be as young as we are tonight

F Am G
C **F** **Am** **G** **C**
I like the way you throw away the keys, forget your car to walk with me

Girl, I m going crazy for you I m crazy for you
