Verse 1:

C Cmaj9 Am7 Cmaj9/G C
 Can you feel my heart?
 Cmaj9 Am7 Cmaj9/G C
 You have it in your hands.
 Cmaj9 Am7 Cmaj9/G Fmaj7
 How do you hear me talking all my trash?

(same pattern)

Do you like my ways?
 Do you still love my face?
 Do you think it s dreadful when I say ...

Chorus (G or Cmaj9/G):

Fmaj7 G
 I think of you often.
 Fmaj7 G
 Have you forgotten
 Fmaj7 G
 The way you looked at me
 Intro and verse pattern
 When we met?

(follow the same patterns troughout the song)

Verse 2:

Do you think I m dreamy?
 Or do you mean scared?
 How much are you saving? You re so brave.

How to talk to the deaf?
 And how to talk in bed?
 How long to realize that makes no sense?

Chorus:

I think of you often.
Have you forgotten
The way you looked at me
When we met?

(verse and intro pattern)
May I ask a question?
But take in its sense.
Can I touch your nape? It won't hurt.

(chors pattern)
Inside of me
Is easy to see,
When you find it out
Please show it to me
