The Sundays
God Made Me from the album Blind (1992)

Verse 1:

A/E **A2**
Looking for an insult there s a trickle inside my head
A/E **A2**
Seeing it s worth the effort I forgive myself
A/E **A2**
Talks that we had talks that we had are becoming a blur
G1 Emsus4
if only I could love my neighbour

Verse 2:

A/E **A2**
Waiting here for the next time with a bottle in my hand
A/E **A2**
Doing it for the exercise I forget myself
A/E **A2**
The face that you had is becoming a blur
G1 Emsus4
But how was I supposed to know that?

Chorus:

E **A** **Cadd9**
Because God made me-eee
G **E**
that s all they told me before and how about you?

Verse 3:

A/E **A2**
And itâ€™s off to work we go now, you can forget about a labour of love
A/E **A2**
It just wonâ€™t wash anymore
A/E **A2**
Weâ€™d love to be good but weâ€™d rather be bad
G1 Emsus4
But how was I supposed to know that?

Chorus:

E **A** **Cadd9**
Because God made me-eee

G **E**
that s all they told me before and how about you?

E **A** **Cadd9**
Because God made people

G **E**
That was the luck of the draw, we do what we want

A **Cadd9**
God made me-eee

G **E**
Thatâ€™s what they told me before, who knows what theyâ€™ll say today?

A **Cadd9**
Because God made me-eee

G **E**
For his sins imagine my eyes when I first saw we can do what we want

How could I know?
How could I know about it?
