Verse4:

B A E x2

B A E

Oh as the Heavens shudder baby I belong to you

B A E

Oh they said you get what you deserve and all they said was true

в а Е

So is this what it s come to? Am I cold or just a little bit warm?

в А. Е

Oh well, just give me an easy life and a peaceful death

Е

Yeah, yeah!

- I love The Sundays. I always have and I always will. They are, perhaps my favourite

band of all time!

***Please note that the E in every B, A, E progression is held for two measures, I.E. It

sounds like: B, A, E, E. :D

This tab is one of $my\ several\,,$ upcoming and desperate attempts to add to the tiny cache

of tabbed and chorded The Sundays songs on the interwebz.

Enjoy! :)
