C#m(b5)

I m down on the ground all hope is stale

C#m(b5), **C**, **G**, **C**

C#m(b5) C
In a pool, sinking
G C
Water fills my lungs
C#m(b5) C
Sole victim of your own terror
G C
Cold flash as the air runs out, yeah

Keep falling away
Keep falling away
While I watch myself and pray
Keep falling from you
What a mind puts your body through
I m down on the ground
All hope is stale
