You ask me why I ll tell you then
                    D6sus2/F#
Two worlds collide we bury them
                    D6sus2/F#
We're far to drunk to see these
              G6
things as they are
[Verse 2]
                    D6sus2/F#
You painted me and I sat quite still
             D6sus2/F#
A tiny room in Notting Hill
                    D6sus2/F#
It was far too dark to look at these
              G6
things as they are
[Chorus]

I ve seen the light vanish out of your eyes
